Das Angebot richtet sich nach der offiziellen Preisliste des Herstellers FIM SRL
Rechtlich verbindlich ist demnach ausschließlich die Preisliste von FIM SRL in aktuellster Fassung.

Prices are to be considered excluding VAT, delivery ex-works FIM SRL, Cividate al Piano (BG), Italy.
This price list is effective from the above-mentioned date and replaces and cancels any previous editions. This price list will be valid until the next price list is issued. This price list may be modified by FIM at any time without prior notice. In case of discrepancy between languages, the Italian version is the reference version. To continuously improve its models, FIM reserves the discretion to make any changes deemed appropriate to its boats, even in deviation from the specifications contained in catalogs, price lists, technical sheets, websites, advertisements, newspaper articles, and any other publications, without any notice: even though FIM strives to update the informational documentation, any type of cited publication cannot be considered a certain and up-to-date source with current executive specifications. FIM boats are offered to the global market and, as such, may be equipped with standard and optional equipment varying from country to country. The brands and models of appliances, audiovisuals, electromechanical devices, hydraulic systems, electronics, sanitary ware, thermotechnical equipment, etc., presented in catalogs, price lists, technical sheets, websites, advertisements, newspaper articles, and visible on board demonstrative boats, do not bind FIM as these brands and models can be modified or revoked by their manufacturers at any time and without notice. These products, installed on board by FIM, meet excellent functionality and performance and are chosen at FIM's sole discretion, based on market availability at the time of boat production. The characteristics, measurements, weights, and data provided by catalogs, brochures, price lists, and advertisements are purely illustrative and explanatory, as they are average values derived from the standard product. The photographs published on the web, in catalogs, advertisements, and newspaper articles refer to customized versions.
None of these elements (characteristics, measurements, data, photos, etc.) represents a contractual promise and can never be considered as an estimate of the goods' compliance, in terms of Directive CE 99/44. Standard and optional equipment listed in catalogs, price lists, technical sheets, websites, advertisements, and newspaper articles are subject to the availability of materials and components on the market. Performance data is provided in good faith, is purely indicative and approximate, non-binding, and without any guarantee regarding speed and consumption. Any typographical and printing errors in catalogs, price lists, technical sheets, websites, advertisements, and newspaper articles cannot be subject to objection.
Duties and taxes of the final destination country, if any, are not included. If the Buyer resides or is based within the European Union, the boat must leave Italy immediately after delivery with indisputable proof. If the Buyer resides or is based outside the European Union, the boat must leave the European Union immediately after delivery with indisputable proof.
